EDUCATION

Bachelor of Technology

Sant Longowal Institute Of Engineering & Technology, Punjab

Jul 2020 - Jun 2023 | Sangrur(Punjab), India, CGPA(7.858)

Courses

– Electronics & Communicationes

Diploma

Sant Longowal Institute Of Engineering & Technology, Punjab

Jul 2017 - Jun 2020 | Sangrur(Punjab), India, CGPA(6.70)

Courses

– Electronics and Communicationes

CLASS - 10

Aditya Birla Inter mediate college, U.P

Jun 2016 - Jul 2017 | Renukoot, sonbhadra(U.P), India, 71.5%

Courses

– Maths, Science

SKILLS

Machine Learning

deep learning

Critical Thinking

Networking

Python (Pandas, NumPy, matplotlib, seaborn)

Analytical & Functional Skills (Problem Solving)

Data Cleansing and Preparation

Effective Communication

Data visualization - Power-BI

Ms Office

PROJECTS

Employee Management System using Python and SQL

Coffee Shop Sales Analysis

Building & Deploying a Mental Health Score Predictor

Recommendation System

CERTIFICATES

Introduction to Data Science / Machine Learning Using Python – Simplilearn

Software Engineer / Software Engineer Intern – HackerRank

Problem Solving (Intermediate) – HackerRank

Advanced Microsoft Excel for Data Analysis – 365 Data Science

ACHIEVEMENTS

Won Certificate in college level tech event

Got NCC Certificate B and C

LANGUAGES

HINDI

Full Professional Proficiency

ENGLISH

Full Professional Proficiency
